WHO WE ARE

Meet the team

Afonso Azenha

PhD · transpilation

Leon Layer

Lead organizer

Sebastián Morales

PhD · quantum networks

Rodrigo Pereira

PhD · neutral atoms

Sara Karouaz

PhD · quantum sensors

Nadine Weber

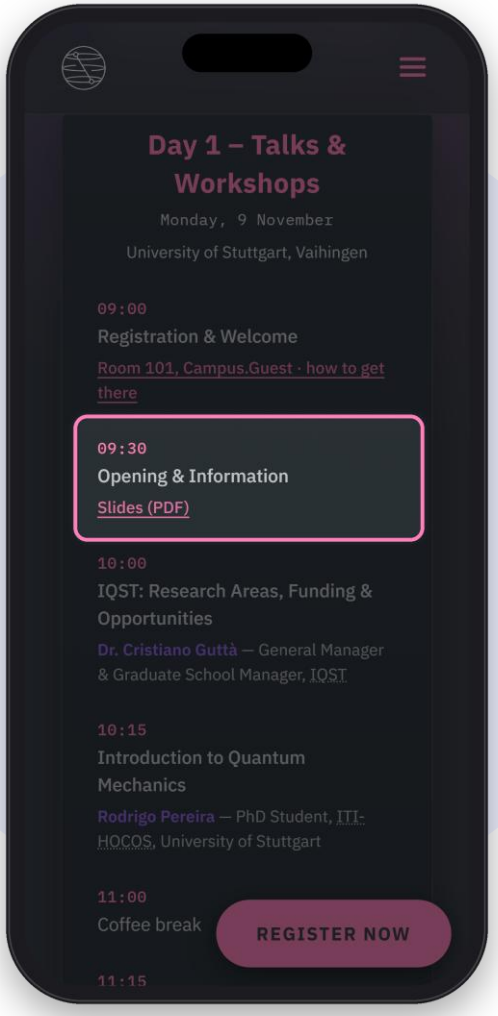

Quantum education, HdM

NO NEED TO TAKE NOTES

All slides are online

This presentation is on our website.

qiskit-fall-fest-bw.com

Coming to IBM? Check your name first.

Day 1

University of Stuttgart

Day 2

University of Stuttgart

Day 3

IBM Quantum, Ehningen

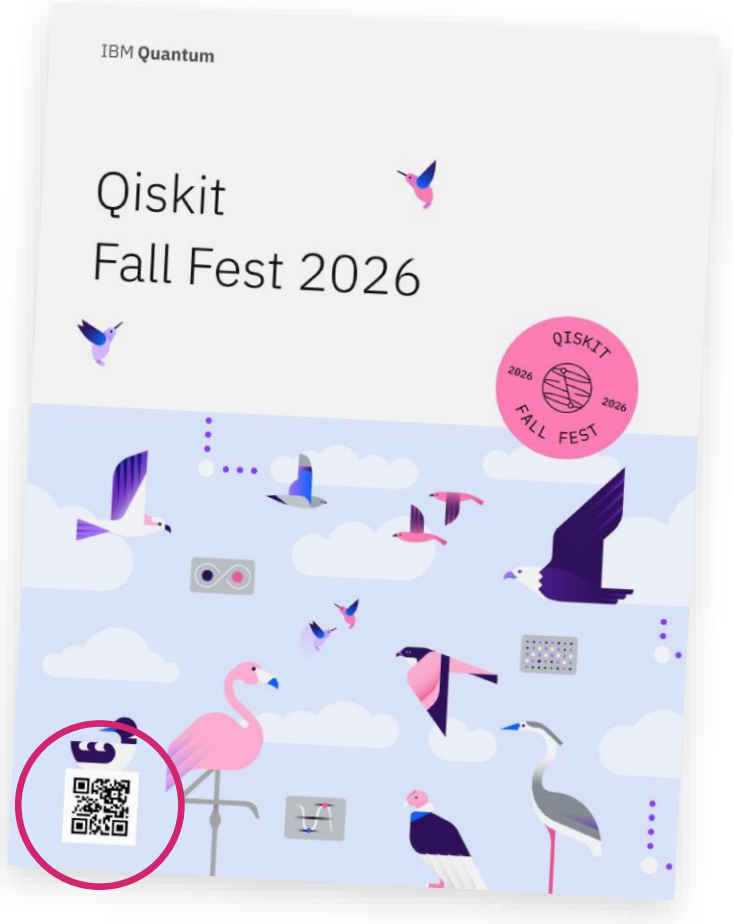

Check your name until **10 Nov, 10:15**

Please check in with the QR code

or visit **ibm.biz/IBMQFF26**

Also on the posters

hanging around the building

Get your lab tour card

DAY 1 · MONDAY 9 NOVEMBER

Today's schedule

09:00 — **Registration & Welcome**
Room 101, Campus.Guest

09:30 — **Opening & Information**
Qiskit Fall Fest team

10:00 — **IQST: Research, Funding & Opportunities**
Dr. Cristiano Guttà, IQST

10:15 — **Introduction to Quantum Mechanics**
Rodrigo Pereira, University of Stuttgart

11:00 — Coffee break

11:15 — **Introduction to Qiskit**
Afonso Azenha, University of Stuttgart

11:45 — **From Qiskit to Career**
Dr. Sebastian Brandhofer, IBM Quantum

12:30 — Lunch break

13:30 — **Quantum Topological Analysis**
Lavinia Stiliadou, IAAS, University of Stuttgart

14:15 — **Quantum Advantage in Sight**
Dr. Andreas Sturm, Fraunhofer IAO

15:00 — Coffee break

15:30 — **Lab tours until 17:30**
with your lab tour card

THANK YOU

Made possible by our partners

IBM Quantum

IQST

HQS QUANTUM SIMULATIONS

Fraunhofer IAO

School for Talents

QuantumBW

Universität Stuttgart

HOCHSCHULE DER MEDIEN

Qiskit Fall Fest is student-led and supported by IBM Quantum

UP NEXT · 10:00

IQST: Research Areas, Funding & Opportunities

Dr. Cristiano Guttà
General Manager & Graduate School Manager, IQST
